

**The perfect gift
for the hard to buy for....**

**Give the gift of health and wellness with a Wellness
Laboratory Testing gift certificate from Regional Health
Services Laboratory!**

Wellness testing allows individuals to manage their health concerns for conditions related to diabetes, anemia, gout, osteoporosis, kidney, liver and thyroid disease, and high cholesterol. Tests are minimally priced and include the following:

Hematology Wellness: \$15

Glucose Wellness: \$10

Cholesterol Wellness: \$10

ALT (liver) Wellness: \$10

AST (liver) Wellness: \$10

Lipid + Glucose Wellness: \$25

Chemistry Wellness: \$25

Potassium Wellness: \$10

Hemoglobin A1C Wellness: \$30

TSH (thyroid) Wellness: \$40

PSA (prostate) Wellness: \$45

Blood Type: \$15

Call the Hospital Lab, stop by, or check out our web site at www.rhshc.com for more information.

A physician's order is not required, although it is recommended that test results be discussed with your health care provider.
